When a Commercial Paper Mode, a Daily Mode, a Weekly Mode or a Term Rate Mode of shorter than one year is in effect for Adjustable Rate Bonds, interest shall be calculated on the basis of a 365/366 day year for the actual number of days elapsed. When a Term Rate Mode of one year or longer or a Fixed Rate Mode for Adjustable Rate Bonds is in effect, interest shall be calculated on the basis of a 360 day year comprised of twelve 30-day months. When a SAVRS Rate Mode for Adjustable Rate Bonds is in effect, interest shall accrue daily and shall be computed for the actual number of days elapsed on the basis of a year consisting of 360 days. (b) Some or all of the Adjustable Rate Bonds in any Mode, other than a Fixed Rate Mode, may be changed to any other Mode at the times and in the manner provided below. (a) An Interest Period for a Commercial Paper Bond shall be of such duration, ending on a Business Day (but not later than the current Expiration Tender Date), of from one to 360 calendar days, as the Remarketing Agent shall determine in accordance with the provisions of this Section 2.7. In making the determinations with respect to Interest Periods, subject to limitations imposed by the preceding sentence and in Section 2.6 of this Series Indenture, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall select for such Bond the Interest Period which would result in the Remarketing Agent being able to remarket such Bond at par in the secondary market at the lowest interest rate then available and for the longest Interest Period available at such rate, provided that if on any Rate Determination Date, the Remarketing Agent determines that current or anticipated future market conditions or anticipated future events are such that a different Interest Period would result in a lower average interest cost on such Bond, then the Remarketing Agent shall select the Interest Period which in the judgment of the Remarketing Agent would permit such Bond to achieve such lower average interest cost; provided, however, that if the Remarketing Agent has received notice from the Authority that any Bond is to be changed from the Commercial Paper Mode to any other Mode or is to be purchased in accordance with a mandatory purchase pursuant to Section 7.5 or Section 7.6 of this Series Indenture, the Remarketing Agent shall, with respect to such Bond, select Interest Periods which do not extend beyond the Mandatory Purchase Date.

(b) On or after 4:00 p.m., New York City time, on the Business Day next preceding each Rate Determination Date for a Commercial Paper Bond, any Owner of such Bond may telephone the Remarketing Agent and receive notice of the anticipated next Interest Period and the anticipated Commercial Paper Rate for such Interest Period for such Bond.

(c) To receive payment of the Purchase Price, the Owner of any Adjustable Rate Bond in the Commercial Paper Mode must present such Bond to the Remarketing Agent, by 12:00 noon, New York City time, on the Rate Determination Date, in which case, the Paying Agent shall pay the Purchase Price to such Owner by the close of business on the same day.

(d) By 12:30 p.m., New York City time, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall determine the Commercial Paper Rate for the Interest Period then selected for such Bond and shall give notice by Electronic Means to the Paying Agent of the new Owner, the Interest Period, the Purchase Date and the Commercial Paper Rate.

(e) By 1:00 p.m., New York City time, on each Rate Determination Date, the Remarketing Agent will assign CUSIP numbers for each Commercial Paper Bond for which a Commercial Paper Rate and Interest Period have been determined on such date and notify the Paying Agent of such assignment by Electronic Means.

Section 2.8 Determination of Interest Rate During the Daily Mode and the Weekly Mode.

(a) The interest rate for any Bond in the Daily Mode or Weekly Mode shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of such Bond on the Rate Determination Date at a price equal to the principal amount thereof, plus accrued and unpaid interest, if any.

(b) During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m., New York City time, on each Rate Determination Date. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Rate Determination Date. The Remarketing Agent shall make the Daily Rate available by telephone to any Owner or Notice Party requesting such rate, and on the last Business Day of each month, shall give notice to the Paying Agent of the Daily Rates that were in effect for each day of such month by Electronic Means.

(c) During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 p.m., New York City time, on each Rate Determination Date. The Weekly Rate shall be in effect (i) initially, from and including the first day the Bonds become subject to the Weekly Mode to and including the following Tuesday and (ii) thereafter, from and including each Wednesday to and including the following Tuesday. The Remarketing Agent shall make the Weekly Rate available (i) after 4:00 p.m., New York City time, on the Rate Determination Date by telephone to any Owner or Notice Party requesting such rate and (ii) by Electronic Means to the Paying Agent not later than the second Business Day immediately succeeding the Rate Determination Date. The Paying Agent shall give notice of such interest rates to the Trustee by Electronic Means not later than 4:00 p.m., New York City time, on the second Business Day immediately succeeding the Rate Determination Date.

(i) Except as provided in paragraph (iii) of this Section 2.9(a), once Adjustable Rate Bonds are changed to the Term Rate Mode, such Bonds shall continue in the Term Rate Mode until changed to another Mode in accordance with Section 2.11 of this Series Indenture. The Term Rate shall be determined by the Remarketing Agent not later than 4:00 p.m., New York City time, on the Rate Determination Date, and the Remarketing Agent shall make the Term Rate available by telephone to any Notice Party

requesting such rate. The Remarketing Agent shall give written notice of the Term Rate to the Authority and the Paying Agent upon request. The Term Rate shall be the minimum rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such Adjustable Rate Bonds at a price equal to the principal amount thereof on the Rate Determination Date for the Interest Period selected by the Authority. If a new Interest Period is not selected by the Authority prior to the Business Day next preceding the Purchase Date for the Interest Period then in effect, the new Interest Period shall be the same length as the current Interest Period (or such lesser period as shall be necessary to comply with paragraph (ii) of this Section 2.9(a)). No Interest Period in the Term Rate Mode may extend beyond the applicable Maturity Date.

(ii) An Adjustable Rate Bond on the date it is converted to the Term Rate Mode and while it is in the Term Rate Mode need not be secured by a Liquidity Facility if so determined by the Authority prior to the Mode Change Date. If, however, it is secured by the Liquidity Facility, then, notwithstanding anything to the contrary contained herein, no Interest Period for such Bond may extend beyond the Expiration Tender Date.

(iii) If, for any reason, a new Term Rate for an Adjustable Rate Bond that has been in the Term Rate Mode and is to continue in the Term Rate Mode is not or cannot be established, then (i) if such Bond is secured by a Liquidity Facility, it will be changed automatically to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent in accordance with Section 2.7 of this Series Indenture or (ii) if such Bond is not secured by a Liquidity Facility, then such Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternate Rate.

(b) *Fixed Rate.* The Remarketing Agent shall determine the Fixed Rate for an Adjustable Rate Bond in the Fixed Rate Mode in the manner and at the times as follows: Not later than 4:00 p.m., New York City time, on the Rate Determination Date for such Bond, the Remarketing Agent shall determine the Fixed Rate for such Bond. The Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such Bond at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall make the Fixed Rate available by telephone to any Notice Party requesting such Fixed Rate. Upon request of any Notice Party, the Paying Agent shall give notice of such rate by Electronic Means.

Section 2.10 Alternate Rate for Interest Calculation. Except as otherwise provided herein, in the event (a) the Remarketing Agent fails or is unable to determine the interest rate or Interest Period with respect to any Adjustable Rate Bond, or (b) the method of determining the interest rate or Interest Period with respect to an Adjustable Rate Bond shall be held to be unenforceable by a court of law of competent jurisdiction, such Bond shall thereupon, until such time as the Remarketing Agent again makes such determination or until there is delivered a Counsel's Opinion to the effect that the method of determining such rate is enforceable, bear

interest from the last date on which such rate was determined in the case of clause (a) and from the date on which interest was legally paid in the case of clause (b), at the Alternate Rate for the Mode in effect for such Bond; provided, that, if either of the circumstances described in clauses (a) and (b) occurs on a Rate Determination Date for a Commercial Paper Bond, the relevant Interest Period shall be from and including such Rate Determination Date to, but not including, the next succeeding Business Day, and thereafter shall commence on a Business Day and extend to, but shall not include, the next Business Day.

Section 2.11 Changes in Mode. Subject to the provisions of this Section 2.11, the Authority may effect a change in Mode with respect to an Adjustable Rate Bond by following the procedures set forth in this Section 2.11 (except that a change to the SAVRS Rate Mode shall be governed by the procedures set forth in Article IX of this Series Indenture). If a change in Mode will make an Adjustable Rate Bond subject to Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended, a continuing disclosure undertaking shall be entered into by the Authority satisfying the requirements of said Rule.

(a) *Changes to a Mode Other Than the Fixed Rate Mode or the SAVRS Rate Mode.* An Adjustable Rate Bond (other than an Adjustable Rate Bond in the Fixed Rate Mode) may be changed from one Mode to another Mode (other than the Fixed Rate Mode or the SAVRS Rate Mode) as follows:

Notice of the proposed change in Mode shall be given to the Owners, with a copy to each National Repository, pursuant to Section 7.3(a) of this Series Indenture.

(ii) *Determination of Interest Rates.* The New Mode for an Adjustable Rate Bond shall commence on the Mode Change Date for such Bond and the interest rate (together, in the case of a change to the Commercial Paper Mode, with the Interest Period for such Bond) shall be determined by the Remarketing Agent (or the Authority in the case of the Interest Period for an Adjustable Rate Bond converted to the Term Rate Mode) in the manner provided in Sections 2.7, 2.8 and 2.9 of this Series Indenture, as applicable.

(iii) *Conditions Precedent.*

- (A) The Mode Change Date shall be a Business Day.

- (D) If Adjustable Rate Bonds to be changed are in the Commercial Paper Mode, no Interest Period set after delivery by the Authority to the Remarketing Agent of the notice of the intention to effect a change in Mode with respect to such Bonds shall extend beyond the proposed Mode Change Date.

(b) *Change to Fixed Rate Mode.* At the option of the Authority, an Adjustable Rate Bond may be changed to the Fixed Rate Mode as provided in this Section 2.11(b). Not less than 45 days (or such shorter time as may be agreed to by the Authority, the Trustee and the

Remarketing Agent) before the proposed Mode Change Date for such Bond, the Authority shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Rate Mode and setting forth the proposed Mode Change Date and that the Bonds to be converted to the Fixed Rate Mode will not be covered by the Liquidity Facility. Such Notice shall also state whether or not some or all of the Adjustable Rate Tax-Exempt Bonds to be converted shall be converted to Serial Bonds and, if so, the applicable Serial Maturity Dates and Serial Payments, all as determined pursuant to the provisions of subsection (v) of this subsection (b). Any such change in Mode shall be made as follows:

(d) *Failure to Satisfy Conditions Precedent to a Mode Change.* In the event the conditions described above in subsections (a) or (b), as applicable, of this Section 2.11 have not been satisfied by the applicable Mode Change Date, then the New Mode or Fixed Rate Mode, as the case may be, shall not take effect. If the failed change in Mode was from the Commercial Paper Mode, the applicable Adjustable Rate Bond shall remain in the Commercial Paper Mode with interest rates and Interest Periods to be established by the Remarketing Agent on the failed Mode Change Date in accordance with Section 2.7 of this Series Indenture. If the failed change in Mode was from the Daily Mode, the applicable Adjustable Rate Bond shall remain in the Daily Mode, and if the failed change in Mode was from the Weekly Mode, the applicable Adjustable Rate Bond shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.8 of this Series Indenture on and as of the failed Mode Change Date. If the failed change in Mode was from the Term Rate Mode and for which the Liquidity Facility was in effect for the Adjustable Rate Bond to be changed, the applicable Adjustable Rate Bond shall be changed to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent on the failed Mode Change Date in accordance with Section 2.7 of this Series Indenture. If, however, there was no Liquidity Facility in effect for such Bond to have been changed from the Term Rate Mode, then such Bond shall stay in the Term Rate Mode for an Interest Period ending on the next Stated Interest Payment Date and shall bear interest at the applicable Alternative Rate. The Trustee shall promptly notify the Owners, with a copy to each National Repository, of any failed change in Mode.

Section 2.12 Interest on Bank Bonds; Lien Priority of Bank Bonds.

(a) Each Bank Bond shall bear interest on the outstanding principal amount thereof at the Bank Rate for each day from and including the date such Bond becomes a Bank Bond to, but not including, the date such Bond is paid in full or is remarketed. Interest on Bank Bonds shall be payable as provided in the Liquidity Facility. Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. Interest on Bank Bonds shall be calculated based upon a 365/366 day year for the actual number of days elapsed.

(b) Adjustable Rate Bonds that are Bank Bonds shall constitute Class I Bonds only with respect to the interest thereon and regularly scheduled principal (i.e., principal payable in the amounts and on the dates provided for in Section 2.1 of this Series

Indenture) thereof, as such principal may be redeemed prior to such dates pursuant to Section 3.2 of this Series Indenture. To the extent of any principal of such Bank Bonds which is payable in advance of the dates provided for in Sections 2.1 and 3.2 of this Series Indenture pursuant to Section 3.10 hereof, such portion of the Bank Bonds shall constitute Class III Bonds and shall also constitute General Obligation Bonds.

Section 2.13 Special Provisions Relating to Bond Insurance. This Section 2.13 shall supersede any inconsistent provision of the Indenture so long as the Insured Bonds are insured by the Bond Insurer and the Bond Insurer is not in default of its obligations under the Bond Insurance Policy.

(a) Any notice that is required to be given to an owner of a 2007 Series A Bond, the Trustee, a Rating Agency or any other Person pursuant to the Indenture shall also be provided to the Bond Insurer. All notices required to be given to the Bond Insurer under the Indenture shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504, Attention: Surveillance.

(b) The Bond Insurer shall be deemed to be the sole owner of the Insured Bonds for all purposes (including, without limitation, all approvals, consents, requests, waivers, authorizations, directions, inspections and the institution of any action), provided that nothing in this Section 2.13(b) shall impair the rights of the Owners of the Insured Bonds to receive all payments due under such Bonds.

(c) The following provisions shall apply to payments under the Bond Insurance Policy:

(i) In the event that, on the second Business Day, and again on the Business Day, prior to any Bond Payment Date on the Insured Bonds, the Trustee has not received sufficient moneys to pay all principal of and interest on the Insured Bonds due on the second following or following, as the case may be, Business Day, the Trustee shall immediately notify the Bond Insurer or its designee on the same Business Day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(ii) If the deficiency is made up in whole or in part prior to or on the payment date, the Trustee shall so notify the Bond Insurer or its designee.

(iii) In addition, if the Trustee has notice that an Owner of any Insured Bond has been required to disgorge payments of principal of or interest on the Insured Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes a voidable preference to such owner within the meaning of any applicable bankruptcy laws, then the Trustee shall notify the Bond Insurer or its designee of such fact by telephone or telegraphic notice, confirmed in writing by registered or certified mail.

(iv) The Trustee is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for the owners of the Insured Bonds as follows:

(A) If and to the extent there is a deficiency in amounts required to pay interest on the Insured Bonds, the Trustee shall (1) execute and deliver to U.S. Bank Trust National Association, or its successors under the Bond Insurance Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the Bond Insurer as agent for such owners in any legal proceeding related to the payment of such interest and an assignment to the Bond Insurer of the claims for interest to which such deficiency relates and which are paid by the Bond Insurer, (2) receive as designee of the respective owners (and not as Trustee) in accordance with the tenor of the Bond Insurance Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (3) disburse the same to such respective owners; and

(B) If and to the extent of a deficiency in amounts required to pay principal of the Insured Bonds, the Trustee shall (1) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing the Bond Insurer as agent for such Owner in any legal proceeding relating to the payment of such principal and an assignment to the Bond Insurer of any of the Insured Bonds surrendered to the Insurance Paying Agent of so much of the principal amount thereof as has not previously been paid or for which moneys are not held by the Trustee, and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent, is received), (2) receive as designee of such respective Owners (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy payment therefor from the Insurance Paying Agent, and (3) disburse the same to such Owners.

(v) Payments with respect to claims for interest on and principal of Insured Bonds disbursed by the Trustee from proceeds of the Bond Insurance Policy shall not be considered to discharge the obligation of the Authority with respect to such Insured Bonds, and the Bond Insurer shall become the owner of such unpaid Insured Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(vi) Irrespective of whether any such assignment is executed and delivered, the Authority and the Trustee hereby agree for the benefit of the Bond Insurer that:

(A) They recognize that to the extent the Bond Insurer makes payments, directly or indirectly (as by paying through the Trustee), on account of principal of or interest on the Insured Bonds, the Bond Insurer will be subrogated to the rights of such Owners to receive the amount of such principal and interest from the Authority, with interest thereon as provided and solely from the sources stated in the Indenture and the Insured Bonds; and

(B) They will accordingly pay to the Bond Insurer the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Bond Insurance Policy, which principal and interest shall be deemed past due and not to have been paid), with interest thereon as provided in the Indenture and the Insured Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the Insured Bonds to Owners, and will otherwise treat the Bond Insurer as the owner of such rights to the amount of such principal and interest.

(vii) All amounts received under the Bond Insurance Policy shall be used solely for the payment of principal of and interest on the Insured Bonds, when due.

(d) The Bond Insurer shall be provided by the Authority with the following information:

(i) at the time it is filed with the Trustee pursuant to Section 6.14(b) of the Master Indenture, and in any event within 180 days after the end of each Fiscal Year, the annual audited financial statements for the immediately prior Fiscal Year;

(ii) an official statement or other disclosure, if any, prepared in connection with the issuance of any additional Bonds under the Indenture, within 30 days after the sale thereof; and

(iii) notice of the resignation or removal of the Trustee and the appointment of a successor Trustee pursuant to Article IX of the Master Indenture.

(e) Copies of any amendments made to the Indenture which are consented to by the Bond Insurer shall be sent to S&P.

(f) The Authority will permit the Bond Insurer to discuss the affairs, finances and accounts of the Authority or any information the Bond Insurer may reasonably request regarding the security for the Insured Bonds with appropriate officials of the Authority. The Trustee or the Authority, as appropriate, will permit the Bond Insurer to have access to and to make copies of, at the Bond Insurer's expense, all books and records relating to the Insured Bonds at any reasonable time.

(g) To the extent that the Indenture confers upon or gives or grants to the Bond Insurer any right, remedy or claim under or by reason of the Indenture, the Bond Insurer is hereby explicitly recognized as being a third-party beneficiary under the Indenture and may enforce any such right, remedy or claim conferred, given or granted under the Indenture.

(h) The Bond Insurer shall be notified by the Trustee (i) immediately upon the occurrence of an Event of Default or General Obligation Bond Default or of any event that with notice and/or with the lapse of time could become an Event of Default or General Obligation Bond Default, and (ii) of any redemption of Insured Bonds at the same time that the Owners of the Insured Bonds to be redeemed are notified. All notices, reports, statement, schedules and certificates (including, without limitation, Cash Flow Statements) to be delivered to or by the Trustee, or to an Owner of an Insured Bond or available at the request of the Owners shall also be provided to the Bond Insurer. In addition, all opinions to be delivered to or by the Trustee, or to an Owner of an Insured Bond, shall also be addressed to the Bond Insurer.

(i) The Authority agrees to reimburse the Bond Insurer immediately and unconditionally upon demand, to the extent permitted by law, for all reasonable expenses, including attorneys' fees and expenses, incurred by the Bond Insurer in connection with (i) the enforcement by the Bond Insurer of the Authority's obligations, or the preservation or defense of any rights of the Bond Insurer, under this Indenture and any other document executed in connection with the issuance of the Insured Bonds, and (ii) any consent, amendment, waiver or other action with respect to the Indenture or any related document, whether or not granted or approved, together with interest on all such expenses from and including the date incurred to the date of payment at Citibank's Prime Rate plus 3% or the maximum interest rate permitted by law, whichever is less. In addition, the Bond Insurer reserves the right to charge a fee in connection with its review of any such consent, amendment or waiver, whether or not granted or approved.

(j) The Authority agrees not to use the Bond Insurer's name in any public document including, without limitation, a press release or presentation, announcement or forum without the Bond Insurer's prior consent. In the event that the Authority is advised by counsel that it has a legal obligation to disclose the Bond Insurer's name in any press release, public announcement or other public document, the Authority shall provide the Bond Insurer with at least three business days' prior written notice of its intent to use the Bond Insurer's name together with a copy of the proposed use of the Bond Insurer's name and of any description of a transaction with the Bond Insurer and shall obtain the Bond Insurer's prior consent as to the form and substance of the proposed use of the Bond Insurer's name and any such description.

(k) The Authority shall not enter into any agreement nor shall it consent to or participate in any arrangement pursuant to which the Insured Bonds are tendered or

purchased for any purpose other than the redemption and cancellation or legal defeasance of such Insured Bonds without the prior written consent of the Bond Insurer.

(l) An event of default under the Insurance Agreement dated as of May 1, 2007 between the Authority and the Bond Insurer shall constitute an Event of Default hereunder.

Section 2.14 Alternate Bond Insurance Policy. In the event that the Bond Insurer is downgraded by Moody's and S&P to a rating below "Aa3" by Moody's and below "AA-" by S&P, the Authority may provide for delivery to the Trustee of an alternate Bond Insurance Policy with respect to the Insured Bonds, subject to the prior written consent of the Rating Agencies. The Authority shall direct the Trustee to cancel the Bond Insurance Policy upon delivery of such alternate Bond Insurance Policy. The Authority may, without the consent of or notice to the Owner of any Bond, enter into such indentures supplemental hereto as shall be necessary in connection with the delivery of any alternate Bond Insurance Policy pursuant to this Section 2.14. The Authority shall give immediate written notice to the Owners of the Insured Bonds upon delivery of any such alternate Bond Insurance Policy.

(b) The Authority shall maintain an account for each Mortgage Lender having entered into a Mortgage Purchase Agreement with the Authority and shall record therein a description of each 2007 Series A Mortgage Loan purchased from such Mortgage Lender.

(c) Nothing in the Indenture shall be construed to prohibit the Authority from causing a Mortgage Lender to repurchase a 2007 Series A Mortgage Loan in accordance with the applicable Mortgage Purchase Agreement.

Section 6.2 2007 Series A Mortgage Loans. The Authority covenants and agrees that each 2007 Series A Mortgage Loan made or purchased by the Authority with moneys in the 2007 Series A subaccount of the Acquisition Account must meet the following requirements as conditions precedent to its acquisition:

confirmation from each Rating Agency that such change will not adversely affect such Rating Agency's then current rating on any Bonds; or

(ii) subject to Private Mortgage Insurance and have an original principal balance more than 80% of the appraised value (at the time of origination of the 2007 Series A Mortgage Loan) or purchase price, whichever is less, of the property securing the 2007 Series A Mortgage Loan, which Private Mortgage Insurance shall be required to remain in force, except as otherwise required by the Homeowners Protection Act of 1998, as amended, 12 U.S.C. 4901, et. seq. or other applicable laws; or at the option of the Authority, the Private Mortgage Insurance, if borrower paid, may be cancelable after the outstanding principal balance of the 2007 Series A Mortgage Loan is reduced to 80% or less of the appraised value (based on a current appraisal) of the property securing the 2007 Series A Mortgage Loan; provided, however, that (A) the Authority may finance a 2007 Series A Mortgage Loan prior to its insurance by a Private Insurer as set forth above so long as: (1) there shall have been issued by the Private Insurer a commitment in customary form to issue Private Mortgage Insurance with respect to such 2007 Series A Mortgage Loan to the extent referred to above; and (2) the 2007 Series A Mortgage Loan satisfies all other requirements of this Section 6.2; and (B) no 2007 Series A Mortgage Loan subject to Private Mortgage Insurance shall be purchased by the Authority if such purchase would result in the aggregate principal amount of all 2007 Series A Mortgage Loans subject to Private Mortgage Insurance exceeding 50% of the outstanding aggregate principal amount of all 2007 Series A Mortgage Loans; provided, that the percentage set forth in clause (B) above may be changed in an Authority Request accompanied by confirmation from each Rating Agency that such change will not adversely affect such Rating Agency's then current rating on any Bonds; or

(iv) not described in paragraph (i), (ii) or (iii) above, subject to receipt of a confirmation from each Rating Agency that the purchase of such 2007 Series A Mortgage Loan will not adversely affect such Rating Agency's then current rating on any Bonds.

(c) Except to the extent, if any, that a variance is required as a condition to the mortgage insurance or guaranty of a Mortgage Loan, each 2007 Series A Mortgage Loan must comply with the following additional requirements:

(i) The Related Mortgage shall be executed and recorded in accordance with the requirements of existing laws.

(ii) The Related Mortgage (except for any Second Mortgage) must be the subject of a title insurance policy in an amount at least equal to the outstanding principal amount of the 2007 Series A Mortgage Loan, insuring that such Mortgage constitutes a first lien, subject only to liens for taxes and assessments and Permitted Liens and Encumbrances on the real property with respect to which the Mortgage Loan is secured; provided, however, that the Authority may finance a 2007 Series A Mortgage Loan prior to the issuance of such title insurance policy so long as there shall have been issued by the title insurance company a commitment therefor in customary form. As used in this Indenture, "Permitted Liens and Encumbrances" means liens, encumbrances, reservations, easements and other imperfections of title normally acceptable to the Governmental Insurer or Private Insurer insuring or guaranteeing such Mortgage Loan and to prudent mortgage lenders, or which, in the judgment of the Authority, shall not materially impair the use or value of the premises or as to which appropriate steps, in the judgment of the Authority, have been taken to secure the interest of the Authority.

(iii) The Mortgage Loan must be secured by a Mortgage, the terms of which, in light of the applicable law in effect at the time such Mortgage is executed, are reasonably designed to assure the ability of the Authority to satisfy applicable requirements, if any, under the Code as applicable with respect to such Mortgage Loan.

(iv) Either (i) the Mortgage Loan requires escrow payments with respect to all taxes, assessments, insurance premiums (including premiums for any applicable GMI or Private Mortgage Insurance) and other charges, to the extent actually charged or assessed, and any prior liens now or hereafter assessed or liens on or levied against the premises or any part thereof, and in case of default in the payment thereof when the same shall be due and payable, it shall be lawful for the Authority to pay the same or any of them (in which event the moneys paid by the Authority in discharge of taxes, assessments, insurance premiums (including GMI or Private Mortgage Insurance premiums) and other charges and prior liens shall be added to the amount of the Mortgage Loan and secured by the Related Mortgage payable on demand with interest at the rate applicable under the Mortgage Loan from and after maturity, from time of payment of the same); or (ii) reasonable alternative arrangements for the payment of such taxes, assessments, insurance premiums (including GMI or Private Mortgage Insurance premiums) and other charges and prior liens are made which are satisfactory to the Authority.

(v) The Mortgage Loan (other than any Second Mortgage Loan) must require equal monthly payments to be applied to accrued interest and then to principal which commence no more than sixty days following origination of the Mortgage Loan.

(vi) The Residential Housing (and other buildings on the premises) with respect to which the Mortgage Loan is made must be insured with respect to fire, lightning and other hazards as and to the extent required by the Governmental Insurer or the Private Insurer, as applicable, or, with respect to any Mortgage Loan not subject to GMI or Private Mortgage Insurance, in accordance with guidelines of Fannie Mae.

(d) Not more than 10% of the 2007 Series A Mortgage Loans shall be made for the purpose of assisting Eligible Borrowers with a portion of their closing costs to the extent such Mortgage Loans are secured by Second Mortgages; provided, that such percentage may be changed in an Authority Request accompanied by confirmation from each Rating Agency that such change will not adversely affect such Rating Agency's then current rating on any Bonds.

Section 6.3 Servicing Fees. The Authority covenants and agrees that Servicing Fees with respect to 2007 Series A Mortgage Loans shall not exceed the maximum amount consistent with the most recent Cash Flow Statement.

Section 6.4 Tax Covenants and Findings.

(a) The Authority shall not use or direct or permit the use of the proceeds of any Bonds or any other moneys in its possession or control (including without limitation the proceeds of any insurance or condemnation award received in connection with Mortgage Loans) directly or indirectly in any manner that, if such use reasonably had been expected on the date of delivery of the 2007 Series A Bonds, would cause any 2007 Series A Tax-Exempt Bonds to be "arbitrage bonds" within the meaning ascribed to such quoted term in Section 148 of the Code.

(b) The Authority shall not use or direct or permit the use of the proceeds of any Bonds or any other moneys in its possession or control (including without limitation the proceeds of any insurance or condemnation award received in connection with Mortgage Loans) in any manner that would cause the 2007 Series A Tax-Exempt Bonds to fail to comply with the provisions of Section 103 of the Code.

(c) The Authority hereby further covenants to take all steps and actions necessary to assure the successful operation of the Program in a manner consistent with the preservation of the exclusion from gross income of the interest payable on the 2007 Series A Tax-Exempt Bonds under Section 103 of the Code; to take all steps and actions necessary to preserve the exclusion from gross income of the interest payable on the 2007 Series A Tax-Exempt Bonds under Section 103 of the Code; and to refrain from taking any steps or actions that would impair or call into question the exclusion from gross income of the interest payable on the 2007 Series A Tax-Exempt Bonds under Section 103 of the Code.

(d) In connection therewith, the Authority hereby further covenants as follows:

(i) The Authority will enforce, and will not waive or consent to the noncompliance by any Person of, any material provisions of the Rules and Regulations, the Mortgages, the Mortgage Purchase Agreements and other documents related thereto and in connection with the 2007 Series A Mortgage Loans;

(ii) The Authority will not amend any material provision of the Mortgages or Mortgage Purchase Agreements except upon filing with the Trustee a certified copy of any such amendment and an opinion of Bond Counsel to the effect that such amendment will not cause the interest on the 2007 Series A Tax-Exempt Bonds to be subject to inclusion in gross income under Section 103 of the Code and will not impair the security of the 2007 Series A Bonds;

(iii) The Authority will not purchase any 2007 Series A Mortgage Loan with amounts credited to the 2007 Series A subaccount of the Acquisition Account unless it reasonably believes that the origination terms and procedures followed with respect to such Mortgage Loan and its origination by a Mortgage Lender and purchase by the Authority are in conformity with the applicable provisions of the Mortgage Purchase Agreements and the Rules and Regulations; and

(iv) The Authority will (i) accelerate the maturity of all 2007 Series A Mortgage Loans that the Authority determines, in accordance with Section 143 of the Code, violate any of the requirements applicable to such Mortgage Loans under Section 143 of the Code, (ii) require Mortgage Lenders to repurchase such Mortgage Loans in accordance with the provisions of the applicable Mortgage Purchase Agreement or (iii) take other corrective action in accordance with Treasury Regulation § 6A.103A-2(c)(1)(iii) as approved by an opinion of Bond Counsel.

For the purposes of subsections (d)(i) and (ii) of this Section 6.4, the Authority and the Trustee shall be entitled to rely conclusively upon a Counsel's Opinion to the effect that any particular provision in any of the documents listed in such subsections, which provision is proposed to be waived or amended, is not "material" for purposes of assuring the exclusion from gross income of the interest payable on the 2007 Series A Tax-Exempt Bonds under Section 103 of the Code.

The Owner of an Adjustable Rate Bond in the Term Rate Mode (unless such Bonds are being changed to another Mode in accordance with Section 2.11 of this Series Indenture) may elect to have its Bond (or portions thereof in Authorized Denominations) purchased on the last day of the current Interest Period applicable to such Bond (or the next Business Day if such last day is not a Business Day) at a price equal to the Purchase Price upon delivery of an irrevocable written notice of tender or irrevocable telephonic notice of tender to the Remarketing Agent, promptly confirmed in writing to the Paying Agent, by not later than 10:00 a.m. on a Business Day not less than seven days before such last day. Such notice of tender shall state the CUSIP number, Bond number and the principal amount of such Bond to be purchased. Bonds purchased pursuant to this Section 7.4 shall be delivered by the Owners (with all necessary endorsements) to the Remarketing Agent at or before 12:00 noon, New York City time, on such Purchase Date and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Remarketing Agent by the close of business on such Business Day.

Section 7.5 Mandatory Purchase for Failure to Replace Liquidity Facility or Upon Certain Substitutions of Alternate Liquidity Facility. In the event that the Authority does not replace a Liquidity Facility with another Liquidity Facility prior to its stated expiration date in accordance with Section 8.3 of this Series Indenture, the Bonds having the benefit of the

Liquidity Facility shall be subject to mandatory purchase on the earlier of the last Interest Payment Date before the then-current Liquidity Facility so expires (whether at the stated expiration date thereof or any earlier termination date therein provided), or 45 days before such stated expiration date or earlier termination date. In addition, in the event that on or prior to the 45th day next preceding the Substitution Date, the Authority has failed to deliver to the Paying Agent and the Trustee a Rating Confirmation Notice in connection with the delivery of an Alternate Liquidity Facility, the Bonds having the benefit of the Liquidity Facility shall be subject to mandatory purchase on the Substitution Tender Date. In either case, the Trustee shall give notice of such mandatory purchase by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of the Bonds subject to mandatory purchase, with a copy to each National Repository, no less than 30 days prior to the Mandatory Purchase Date. The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner. Bonds purchased pursuant to this Section 7.5 shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Denver, Colorado, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds by the Paying Agent by the close of business on such Mandatory Purchase Date.

Section 7.6 Mandatory Purchase upon Termination of Liquidity Facility. If the Trustee receives a notice from (a) the Authority that it has elected to terminate the Initial Liquidity Facility pursuant to Section 2.11 thereof or (b) the Liquidity Facility Provider that its Liquidity Facility will be terminated in accordance with the provisions thereof because of the occurrence and continuance of certain specified events under the Liquidity Facility (i.e., on a Notice of Termination Date as defined in the Liquidity Facility), in either case while any of the Bonds having the benefit of the Liquidity Facility will be Outstanding, then such Bonds will be subject to special mandatory purchase on a Business Day which is at least ten days subsequent to such election to terminate or Notice of Termination Date, as applicable, and at least five Business Days prior to the resulting termination date of the Liquidity Facility. Within two Business Days after receipt by the Trustee of a notice from the Authority or from the Liquidity Facility Provider, as applicable, as described above, the Trustee will mail by first-class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, a notice of special mandatory tender to the Owners of the Bonds subject to mandatory purchase, with a copy to each National Repository. The notice shall state the Mandatory Purchase Date, the Purchase Price and that interest on Bonds subject to mandatory purchase shall cease to accrue from and after the Mandatory Purchase Date. The failure to transmit such notice with respect to any Bond shall not affect the validity of the mandatory purchase of any other Bond with respect to which notice was so transmitted. Any notice transmitted as aforesaid will be conclusively presumed to have been given, whether or not actually received by any Owner. Bonds purchased pursuant to this Section

7.6 shall be delivered by the Owners (with all necessary endorsements) to the office of the Paying Agent in Denver, Colorado, at or before 12:00 noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price of such Bonds shall be made by wire transfer in immediately available funds.

Section 7.7 Remarketing of Adjustable Rate Bonds; Notices.

(a) *Remarketing of Adjustable Rate Bonds.* The Remarketing Agent shall use its best efforts to offer for sale, at a price equal to the principal amount thereof plus accrued interest, if any, thereon to the applicable purchase date:

(i) all Adjustable Rate Bonds or portions thereof as to which notice of tender pursuant to Section 7.1 or Section 7.4 of this Series Indenture has been given;

(ii) all Adjustable Rate Bonds required to be purchased pursuant to Sections 7.2, 7.3, 7.5 and 7.6 of this Series Indenture; and

(iii) all Bank Bonds.

(b) *Notice of Remarketing; Registration Instructions; New Bonds.* On each Purchase Date or Mandatory Purchase Date, as the case may be:

(i) unless the Remarketing Agent has notified the Paying Agent otherwise, the Remarketing Agent shall notify the Paying Agent by Electronic Means not later than 10:00 a.m., New York City time, of the amount of tendered Adjustable Rate Bonds which were successfully remarketed, the names of the tendering Owners and the registration instructions (i.e., the names, addresses and taxpayer identification numbers of the purchasers and the desired Authorized Denominations) with respect thereto; and

(ii) the Paying Agent shall authenticate new Adjustable Rate Bonds for the respective purchasers thereof which shall be available for pick-up by the Remarketing Agent not later than 1:30 p.m., New York City time.

(c) *Delivery of Remarketing Proceeds.* The proceeds of the sale by the Remarketing Agent of any Adjustable Rate Bonds shall be delivered to the Paying Agent for deposit into the Remarketing Proceeds Account of the Bond Purchase Fund not later than 2:00 p.m., New York City time, on the day of receipt of such remarketing proceeds.

(d) *Limitation on Remarketing of Bank Bonds.* Bank Bonds shall not be remarketed unless the Trustee has received written notice from the Liquidity Facility Provider that the Liquidity Facility has been reinstated.

Section 7.8 Source of Funds for Purchase of Adjustable Rate Bonds. By the close of business on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall purchase tendered Adjustable Rate Bonds from the tendering Owners at the Purchase

Price by wire transfer in immediately available funds. Funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated and neither the Paying Agent nor the Remarketing Agent shall be obligated to provide funds from any other source:

- (a) immediately available funds on deposit in the Remarketing Proceeds Account; and
- (b) immediately available funds on deposit in the Standby Purchase Account.

Section 7.9 Delivery of Adjustable Rate Bonds. On each Purchase Date or Mandatory Purchase Date, as the case may be, the Adjustable Rate Bonds shall be delivered as follows:

- (a) Adjustable Rate Bonds sold by the Remarketing Agent pursuant to Section 7.8(a) of this Series Indenture shall be delivered by the Remarketing Agent to the purchasers of those Bonds by 3:00 p.m., New York City time; and
- (b) Adjustable Rate Bonds purchased by the Paying Agent with moneys described in Section 7.8(b) of this Series Indenture shall be registered immediately in the name of the Liquidity Facility Provider or its nominee on or before 1:30 p.m., New York City time.

Section 7.10 Undelivered Adjustable Rate Bonds. If Adjustable Rate Bonds to be purchased are not delivered by the Owners to the Remarketing Agent or the Paying Agent, as applicable, by 12:00 noon, New York City time, on the Purchase Date or the Mandatory Purchase Date, as the case may be, the Paying Agent shall hold any funds received for the purchase of those Bonds in trust in a separate account and shall pay such funds to the former Owners of such Bonds upon presentation of such Bonds. Such undelivered Bonds shall cease to accrue interest as to the former Owners on the Purchase Date or the Mandatory Purchase Date, as the case may be, and moneys representing the Purchase Price shall be available against delivery of those Bonds at the office of the Paying Agent in Denver, Colorado; provided, however, that any funds which shall be so held by the Paying Agent and which remain unclaimed by the former Owner of a Bond not presented for purchase for a period of three years after delivery of such funds to the Paying Agent, shall, to the extent permitted by law, upon request in writing by the Authority and the furnishing of security or indemnity to the Paying Agent's satisfaction, be paid to the Authority free of any trust or lien, and thereafter the former Owner of such Bond shall look only to the Authority and then only to the extent of the amounts so received by the Authority without any interest thereon and the Paying Agent shall have no further responsibility with respect to such moneys or payment of the purchase price of such Bonds. The Paying Agent shall authenticate a replacement Bond for any undelivered Bond which may then be remarketed by the Remarketing Agent.

Section 7.11 No Purchases or Sales After Payment Default. Anything in the Indenture to the contrary notwithstanding, if there shall have occurred and be continuing an Event of Default described in Section 7.1(a) or Section 7.1(b) of the Master Indenture, the Remarketing

Agent shall not remarket, and the Liquidity Facility Provider shall not be required to purchase pursuant to the Liquidity Facility, any Adjustable Rate Bonds.

Section 7.12 Bond Purchase Fund. There is hereby established and there shall be maintained with the Paying Agent, as agent for the Trustee, a separate fund to be known as the "Bond Purchase Fund." The Paying Agent shall further establish separate accounts within the Bond Purchase Fund to be known as the "Standby Purchase Account" and the "Remarketing Proceeds Account."

(a) *Remarketing Proceeds Account*. Upon receipt of the proceeds of a remarketing of Adjustable Rate Bonds, the Paying Agent shall deposit such proceeds in the Remarketing Proceeds Account for application to the Purchase Price of the Adjustable Rate Bonds. Notwithstanding the foregoing, upon the receipt of the proceeds of a remarketing of Bank Bonds, the Paying Agent shall immediately pay such proceeds to the Liquidity Facility Provider to the extent of any amount owing to the Liquidity Facility Provider.

(b) *Standby Purchase Account*. Upon receipt from the Trustee of the immediately available funds transferred to the Paying Agent pursuant to 8.5 of this Series Indenture, the Paying Agent shall deposit such money in the Standby Purchase Account for application to the Purchase Price of the Adjustable Rate Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account shall not be sufficient. Any amounts deposited in the Standby Purchase Account and not needed with respect to any Purchase Date or Mandatory Purchase Date for the payment of the Purchase Price for any Adjustable Rate Bonds shall be immediately returned to the Liquidity Facility Provider.

(c) *Investment*. Amounts held in the Standby Purchase Account and the Remarketing Proceeds Account by the Paying Agent shall be held uninvested and separate and apart from all other funds and accounts.

Section 7.13 Remarketing Agent. The Authority hereby appoints Lehman Brothers Inc. as Remarketing Agent to remarket the Adjustable Rate Bonds pursuant to the Indenture, and to keep such books and records as shall be consistent with prudent industry practice and to make such books and records available for inspection by the Liquidity Facility Provider, the Authority, the Paying Agent and the Trustee at all reasonable times.

The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by the Indenture by giving at least 30 days' notice to the Authority, the Trustee, the Paying Agent and the Liquidity Facility Provider. The Remarketing Agent may be removed at any time, at the direction of the Authority, by an instrument filed with the Remarketing Agent, the Trustee, the Paying Agent and the Liquidity Facility Provider and upon at least 30 days' notice to the Remarketing Agent. Any successor Remarketing Agent shall be selected by the Authority and shall be a member of the National Association of Securities Dealers, Inc., shall have a capitalization of at least \$15,000,000, and shall be authorized by law to perform all the duties set forth in the Indenture. The Authority's delivery to the Trustee of a certificate setting forth the effective date of the appointment of a successor Remarketing Agent

and the name of such successor shall be conclusive evidence that (i) if applicable, the predecessor Remarketing Agent has been removed in accordance with the provisions of this Series Indenture and (ii) such successor has been appointed and is qualified to act as Remarketing Agent under the terms of this Series Indenture.

ARTICLE VIII
LIQUIDITY FACILITY

Section 8.1 Authorization of Liquidity Facility. The use of the Liquidity Facility to secure payment of the purchase price of the Adjustable Rate Bonds is hereby authorized.

Section 8.2 Requirements for Liquidity Facility.

(a) *Amount.* The initial Liquidity Facility will be a standby bond purchase agreement of the Liquidity Facility Provider, for direct payments to or upon the order of the Paying Agent of amounts up to (a) the principal of the Adjustable Rate Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of the Adjustable Rate Bonds consisting of accrued interest for the number of days required by each Rating Agency then rating the Adjustable Rate Bonds in order to ensure that the rating of the Adjustable Rate Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. If the Liquidity Facility will be in effect during a Short-Term Mode or a Term Rate Mode, the stated coverage amount of the Liquidity Facility will include the interest portion of the purchase price of the Adjustable Rate Bonds for the number of days required by each Rating Agency then rating the Adjustable Rate Bonds in order to ensure that the respective ratings of the Adjustable Rate Bonds will not be adversely affected, as evidenced in writing from each such Rating Agency to the Trustee, at the Maximum Rate. The issuance of ratings on the Adjustable Rate Bonds as initially delivered shall serve as the “evidence in writing from each Rating Agency” required hereby with respect to the amount of the Initial Liquidity Facility and number of days of interest covered thereby for the time the Adjustable Rate Bonds bear interest at a Weekly Rate. The Paying Agent shall promptly present any certificates required by a Liquidity Facility for the reduction of the stated amount of the Liquidity Facility whenever the Aggregate Principal Amount of the Adjustable Rate Bonds Outstanding is reduced.

(b) *Term.* Unless extended in accordance with Section 10.9(b) of the Initial Liquidity Facility, the Liquidity Facility will expire at the end of the “Commitment Period,” as defined in the Initial Liquidity Facility. The Authority shall submit to the Liquidity Facility Provider not earlier than fifteen months before, and not later than six months before, the Expiration Date (as defined in the Initial Liquidity Facility) as from time to time in effect, a request that the Liquidity Facility Provider renew the Liquidity Facility and extend the Expiration Date thereof for an additional three-year period (or such other period as may be specified by the Authority in writing) after the then-effective Expiration Date thereof in accordance with Section 10.9(b) of the Initial Liquidity Facility.

Section 8.3 Alternate Liquidity Facility.

(a) The Authority may elect to replace any Liquidity Facility with a new Liquidity Facility substantially conforming to the requirements of Section 8.2 of this Series Indenture. If a Term Rate will be in effect during the term of the current Liquidity Facility, the Authority may

not furnish an Alternate Liquidity Facility with an Expiration Date earlier than the Expiration Date in the Liquidity Facility then in effect.

(b) The Authority shall promptly notify the Trustee, the Remarketing Agent and the Paying Agent of the Authority's intention to deliver a new Liquidity Facility at least 45 days prior to such delivery. Upon receipt of such notice, if the new Liquidity Facility is issued by a different issuer, the Trustee will promptly mail by first class mail, or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, a notice of the anticipated delivery of a new Liquidity Facility, including the name of the provider of the new Liquidity Facility, to the Remarketing Agent and each owner of the Adjustable Rate Bonds at the owner's registered address at least 30 days prior to deliver of the new Liquidity Facility.

(c) A new Liquidity Facility, along with the documents required by Section 8.4 of this Series Indenture, must be delivered to the Trustee at least five Business Days prior to the time notice of mandatory tender must be sent to the Owners as set forth in Section 7.5 of this Series Indenture.

Section 8.4 Opinions of Counsel and Other Documents.

(a) Any Liquidity Facility delivered to the Trustee after the Initial Liquidity Facility must be accompanied by (1) a Favorable Opinion of Bond Counsel as to the delivery of the Liquidity Facility; (2) an opinion of counsel stating that delivery of the Liquidity Facility is authorized under the Indenture and complies with its terms; and (3) an opinion of counsel to the provider of such Liquidity Facility stating that such Liquidity Facility is a legal, valid, binding and enforceable obligation of such obligor in accordance with its terms.

(b) If the Authority or any natural person, firm, association or public body related to the Authority, within the meaning of Section 147(a) of the Code, grants a security interest in any cash, securities or investment type property to the provider of such Liquidity Facility or other facility, the Authority must furnish the Trustee a Favorable Opinion of Bond Counsel with respect to such grant.

Section 8.5 Draws.

(a) Whenever any amount is payable for the purchase of the Adjustable Rate Bonds as provided in this Series Indenture, the Paying Agent shall draw on the Liquidity Facility in accordance with its terms, if one is in effect, to the extent necessary (taking into account any remarketing proceeds that are then on hand with the Paying Agent as described in the next paragraph) to make such full and timely payment in accordance with this Series Indenture and the Liquidity Facility, except that the Paying Agent may not draw on the Liquidity Facility to pay the purchase price of Bank Bonds or Adjustable Rate Bonds owned by or registered in the name of the Authority. In drawing on the Liquidity Facility, the Paying Agent will be acting on behalf of the owners of the Adjustable Rate Bonds by facilitating payment of the purchase price

of their Adjustable Rate Bonds and not on behalf of the Authority and will not be subject to the control of the Authority.

(b) On each Purchase Date or Mandatory Purchase Date on which the Adjustable Rate Bonds are to be purchased pursuant to a tender, the Paying Agent shall direct the Trustee to draw upon the Liquidity Facility by 10:30 a.m., New York City time, in an amount sufficient, together with any remarketing proceeds that the Paying Agent has on hand at the time of such draw, to enable the Paying Agent to pay the purchase price of the Adjustable Rate Bonds to be purchased on such Purchase Date or Mandatory Purchase Date. If the Paying Agent does not have any remarketing proceeds on hand, the Paying Agent shall direct the Trustee to draw upon the Liquidity Facility in an amount sufficient to enable the Paying Agent to pay such purchase price entirely from the proceeds of such drawing. The Paying Agent shall direct the Trustee to make any drawing required under this subsection (b) in accordance with the terms of such Liquidity Facility and deposit such moneys to the Standby Purchase Account so that immediately available funds will be available to the Paying Agent to pay the purchase price due on a Purchase Date or Mandatory Purchase Date by 2:30 p.m., New York City time, on the Purchase Date or Mandatory Purchase Date.

(c) If, following any draw on a Liquidity Facility in accordance with its terms, the Paying Agent does not receive from the Liquidity Facility Provider when due the full amount stated in such draw, the Paying Agent shall promptly direct the Trustee to submit another draw in the amount of any deficiency or, if nothing was received by the Paying Agent, in such full amount.

(d) Upon receipt from the Liquidity Facility Provider of the proceeds of any drawing on the Liquidity Facility, the Paying Agent shall pay such proceeds to the Persons entitled thereto in accordance with the provisions hereof.

(e) If, subsequent to any such draw to pay the purchase price of Adjustable Rate Bonds, the Paying Agent receives from the Remarketing Agent remarketing proceeds of Adjustable Rate Bonds for which such draw was made, the Paying Agent shall repay to the Liquidity Facility Provider in immediately available funds by 2:00 p.m., New York City time (so long as the Paying Agent has received such funds by 1:00 p.m., New York City time), on the day of receipt by the Paying Agent of such remarketing proceeds, an amount equal to such remarketing proceeds.

ARTICLE IX
SAVRS RATE CONVERSION

Section 9.1 Applicability of This Article. This Article IX shall be applicable to Adjustable Rate Bonds on and after the SAVRS Rate Conversion Date for such Adjustable Rate Bonds. Any Liquidity Facility then in effect shall automatically terminate with respect to such Adjustable Rate Bonds at the close of business on the SAVRS Rate Conversion Date for such Adjustable Rate Bonds.

Section 9.2 Conversion to SAVRS Rate Bonds.

(a) Any Adjustable Rate Bonds shall be converted to SAVRS Rate Bonds on any Mode Change Date if the Authority shall have delivered to the Trustee and the Remarketing Agent (i) a written notice specifying the SAVRS Rate Conversion Date, which shall be not less than 45 days after such notice is delivered, which notice may be revoked by the delivery of written notice of revocation by the Authority to the Trustee and the Remarketing Agent on or before the date provided in subsection (h) of this Section 9.2, (ii) an opinion of Bond Counsel to the effect that such conversion to SAVRS Rate Bonds in accordance with the provisions hereof is authorized or permitted by the terms hereof will not, in and of itself, adversely affect the exclusion from gross income for federal income tax purposes of interest on any of the 2007 Series A Tax-Exempt Bonds and (iii) the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date.

(b) The Trustee shall give notice by first-class mail or transmitted in such other manner (such as by Electronic Means) as may be customary for the industry as directed in writing by the Authority, to the Owners of such Adjustable Rate Bonds, at least 30 days before the SAVRS Rate Conversion Date, of the SAVRS Rate Conversion Date. Such notice shall include or be accompanied by the notice required by subsection (c) of this Section 9.2.

(c) Each applicable Adjustable Rate Bond shall be subject to mandatory purchase on the SAVRS Rate Conversion Date at the Purchase Price. The Trustee shall include in the notice transmitted to the Owners of such Bonds a further notice of mandatory purchase which in substance shall state: (i) the SAVRS Rate Conversion Date; (ii) if such is the case, that any ratings of any of such Bonds may be withdrawn or reduced; (iii) that subsequent to the SAVRS Rate Conversion Date, no owner of such an Adjustable Rate Bond will have any right to demand purchase of such Bond under the Master Indenture and this Series Indenture and such Owner will not be entitled to the benefits of the Liquidity Facility; and (iv) that all the Owners of such Bonds shall be required to tender or be deemed to have tendered their Bonds to the Paying Agent for purchase by 11:00 a.m., New York City time on the SAVRS Rate Conversion Date.

(d) Owners of such Adjustable Rate Bonds shall be required to tender their Bonds for payment on the SAVRS Rate Conversion Date at the Purchase Price. Any such Bonds on the SAVRS Rate Conversion Date for which there has been irrevocably deposited with the Paying

Agent an amount sufficient to pay the Purchase Price of such Bonds shall be deemed to have been tendered in accordance herewith.

(e) Upon presentation of such Adjustable Rate Bonds, on the SAVRS Rate Conversion Date, or any Business Day thereafter, the Paying Agent shall purchase, but only from the proceeds of the remarketing of such Bonds or from amounts drawn under the Liquidity Facility, all Adjustable Rate Bonds required to be purchased and deemed tendered pursuant to this Section 9.2 at the Purchase Price, payable by electronic transfer in immediately available funds to the account designated to the Paying Agent by the Owner of such Bonds deemed tendered, and if not so designated, by check or draft.

(f) On and after the SAVRS Rate Conversion Date for Bonds, such Bonds shall be in substantially the forms provided in the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date.

(g) On and after the SAVRS Rate Conversion Date for Adjustable Rate Bonds, the provisions of the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date shall be deemed to be an integral part of this Series Indenture. In the event that any provision of such Supplemental Indenture shall be inconsistent with any provision of the Master Indenture or this Series Indenture, such provisions of such Supplemental Indenture shall supersede such inconsistent provisions.

(h) Notwithstanding any provisions to the contrary contained in this Series Indenture or in the Master Indenture, (i) if the Authority has elected to convert Adjustable Rate Bonds to SAVRS Rate Bonds pursuant to subsection (a) of this Section 9.2, the Authority shall have the right to revoke such election on or before the initial Date of Interest Accrual (as shall be defined in the Supplemental Indenture to be entered into in connection with the SAVRS Rate Conversion Date), whereupon the rate of interest on such Bonds shall automatically become or remain a Weekly Rate as of the proposed SAVRS Rate Conversion Date, and (ii) if, on the proposed SAVRS Rate Conversion Date, the Remarketing Agent has not received the Purchase Price for all Adjustable Rate Bonds being tendered or deemed tendered as provided in this Section 9.2, the rate of interest on such Bonds shall automatically become or remain a Weekly Rate as of the proposed SAVRS Rate Conversion Date.

(i) The foregoing provisions shall be conclusive and binding upon the Authority, the Trustee and the Owners of the Adjustable Rate Bonds.

Section 9.3 Draw on Liquidity Facility on the SAVRS Rate Conversion Date. On any SAVRS Rate Conversion Date for Adjustable Rate Bonds, the Trustee shall draw under the Liquidity Facility in an amount equal to the Purchase Price thereof for which sufficient remarketing proceeds to pay the Purchase Price have not been received.

The obligation of the Authority to make fixed rate interest payments to the Interest Rate Contract Providers under the Interest Rate Contracts is a Class I Obligation under the Indenture and the obligation of the Authority to make other payments under the Interest Rate Contracts is a General Obligation of the Authority and is not secured by the Trust Estate. Regularly scheduled payments under the Interest Rate Contracts shall be deemed to be interest for purposes of Section 5.5(d)(i)(C) of the Master Indenture.

Section 10.3 Requirements for Delivery of an Alternate Interest Rate Contract. On or prior to the date of delivery of an Alternate Interest Rate Contract to the Trustee, the Authority shall furnish or cause to be furnished to the Trustee an opinion of counsel satisfactory to the Authority stating that the delivery of such Alternate Interest Rate Contract to the Trustee is authorized under the Indenture and complies with the terms of this Series Indenture. In addition, no Alternate Interest Rate Contract may be delivered to the Trustee for any purpose under this Series Indenture unless accompanied by the following documents:

- (i) letters from Moody's and S&P evidencing that the replacement of any Interest Rate Contract with the Alternate Interest Rate Contract will result in the reconfirmation of the then-existing rating or the assignment of a new short-term rating of not less than "A-1+" or "VMIG-1" (in the case of S&P and Moody's, respectively) on the Adjustable Rate Bonds; and
- (ii) copies of any other documents, agreements or arrangements entered into directly or indirectly between the Authority and the Interest Rate Contract Provider entering into the Alternate Interest Rate Contract with respect to the transactions contemplated by the Alternate Interest Rate Contract.

provided in the Indenture. Any term used herein as a defined term but not defined herein shall be defined as in the Indenture.

This Bond is one of a duly authorized issue of bonds of the Authority designated "Colorado Housing and Finance Authority Taxable Single Family Mortgage Class I Adjustable Rate Bonds 2007 Series A-1" (the "Bonds"), issued under and pursuant to the Act, the Indenture and the Supplemental Public Securities Act, constituting Part 2 of Article 57 of Title 11, Colorado Revised Statutes. It is the intention of the Authority that this recital shall be conclusive evidence of the validity and the regularity of the issuance of the Bonds after their delivery for value and that all of the Bonds issued are incontestable for any cause whatsoever after their delivery for value. This Bond constitutes a Class I Obligation under the Indenture and is secured solely by the pledge and lien of the Trust Estate contained therein, which is in the following order of priority: first, to secure the payment of the principal of and interest on the Class I Obligations in accordance with the terms and the provisions of the Indenture, second, to secure the payment of the principal of and interest on the Class II Obligations in accordance with the terms and the provisions of the Indenture, third, to secure the payment of the principal of and interest on the Class III Obligations in accordance with the terms and the provisions of the Indenture, and fourth, to secure the payment of the principal of and interest on the Class IV Obligations in accordance with the terms and provisions of the Indenture. The Registered Owner hereof, by acceptance of this Bond, consents to all of the terms and conditions of the Indenture, a copy of which is on file with the Trustee.

THIS BOND, TOGETHER WITH THE INTEREST HEREON, IS PAYABLE SOLELY FROM, AND SECURED BY, THE REVENUES OF THE AUTHORITY AND OTHER SECURITY PLEDGED THEREFOR UNDER THE INDENTURE, SUBJECT TO THE LIEN AND PLEDGE PRIORITY DISCUSSED ABOVE. IN NO EVENT SHALL THIS BOND CONSTITUTE AN OBLIGATION OR LIABILITY OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF (OTHER THAN THE AUTHORITY). THE AUTHORITY HAS NO TAXING POWER NOR DOES IT HAVE THE POWER TO PLEDGE THE GENERAL CREDIT OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OTHER THAN THE AUTHORITY, OR TO PLEDGE THE TAXING POWER OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF. THE STATE SHALL NOT BE LIABLE FOR THIS BOND, AND THIS BOND SHALL NOT CONSTITUTE A DEBT OF THE STATE.

The Authority has caused to be delivered to the Trustee a standby bond purchase agreement (the "Liquidity Facility") issued by DEPFA BANK plc, acting through its New York Branch (together with its successors and assigns or any issuer of any Alternate Liquidity Facility, the "Liquidity Facility Provider"). The Paying Agent, as provided in the Indenture, will draw on the Liquidity Facility in order to receive amounts sufficient to pay (a) the principal of the Bonds when due upon purchase pursuant to a tender; and (b) the interest portion of the purchase price of Bonds, as provided in the Indenture. The Authority, upon the conditions specified in the Indenture, may provide for the extension of the Liquidity Facility prior to its expiration date or for the delivery to the Paying Agent of an Alternate Liquidity Facility.

Interest on this Bond will be paid at a Commercial Paper Rate when the Bond is in the Commercial Paper Mode, at a Daily Rate when the Bond is in the Daily Mode, at a Weekly Rate when the Bond is in the Weekly Mode, at a Term Rate when the Bond is in the Term Rate Mode, at a rate determined by auction procedures described in the Indenture when the Bond is in a SAVRS Rate Mode, and at a Fixed Rate when the Bond is in the Fixed Rate Mode, all as determined in accordance with the Indenture; provided, however, that no Bond shall bear interest at a rate higher than the Maximum Rate. Bank Bonds shall bear interest at the Bank Rate, provided that Bank Bonds shall not bear interest at the Bank Rate after such Bonds have been remarketed unless such Bonds shall again become Bank Bonds. The Authority may change any Bond in a Mode, other than a Fixed Rate Mode, to any other Mode.

Interest on the Bonds will be payable at the Weekly Rate, unless and until the Authority selects a different interest rate determination method as provided in the Indenture. The Authority may effect a change in Mode with respect to a Bond by following the procedures set forth in the Indenture.

Payment will be made on the applicable Interest Payment Date to the Registered Owner on the applicable Record Date for unpaid interest accrued during the current Interest Accrual Period (as defined below), all as set forth in the Indenture.

The principal of and premium, if any, on each Bond will be payable in lawful money of the United States of America upon its surrender at the office of the Paying Agent on the Payment Date. The Purchase Price of a Bond in the Commercial Paper Mode will be payable by wire transfer of immediately available funds upon the close of business of the Purchase Date; provided, that such Bond is first surrendered to the Remarketing Agent by 12:00 noon New York City time on such date. Interest on Bonds in the Commercial Paper Mode, the Daily Mode or the Weekly Mode will be paid by the Paying Agent by wire transfer of immediately available funds to an account specified by the Registered Owner on the applicable Record Date in a writing delivered to the Paying Agent and, on Bonds in the Term Rate or Fixed Rate Mode, by check mailed by the Paying Agent to the Registered Owner at the address appearing in the registration books of the Paying Agent on the applicable Record Date. Payment of interest to Registered Owners of \$1,000,000 or more in aggregate principal amount of Bonds in the Term Rate or Fixed Rate Mode may be made by wire transfer as provided in the Indenture.

The Bonds are subject to special and optional redemption in the manner, at the prices, at the times and under the circumstances provided in the Indenture. The Bonds are subject to optional and mandatory tender at a price equal to the Purchase Price in the manner, at the times and under the circumstances provided in the Indenture.

The Bonds are in registered form without coupons in the following denominations (the "Authorized Denominations"): in the Daily Mode, the Weekly Mode, the SAVRS Mode or the Commercial Paper Mode, \$100,000 and any integral multiple of \$5,000 in excess thereof; and in the Term Rate and Fixed Rate Modes, \$5,000 and any integral multiple thereof. A Registered Owner may transfer or exchange Bonds in accordance with the Indenture. The Paying Agent

may require the payment by any Registered Owner requesting such transfer or exchange of any tax or other governmental charge required to be paid with respect to such transfer or exchange. Pursuant to Section 29-4-722 of the Act, Bonds issued under the Act shall be negotiable instruments under the laws of the State, subject only to applicable provisions for registration. The Registered Owner of this Bond may be treated as its owner for all purposes.

If any moneys held by the Trustee or Paying Agent in trust for the payment of interest, principal, premium or Purchase Price of any Bonds remain unclaimed for a period of three years after the date on which such moneys were payable, the Trustee or Paying Agent will, upon written notice from the Authority, pay such amounts to the Authority, as provided in the Indenture. Thereafter, such Registered Owners must look to the Authority for payment of such moneys.

The Indenture provides that the occurrences of certain events constitute Events of Default. If certain Events of Default occur, the Trustee may, and upon the written request of the Registered Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as provided in the Indenture), give 30 days notice in writing to the Authority of its intention to declare all Outstanding Bonds immediately due and payable. At the end of such 30-day period, the Trustee may, and upon the written consent of the Owners of a sufficient percentage in aggregate principal amount of Outstanding Bonds (as provided in the Indenture), declare all Outstanding Bonds immediately due and payable. An Event of Default and its consequences may be waived as provided in the Indenture. Registered Owners may not enforce the Indenture or the Bonds except as provided in the Indenture.

The Act provides that neither the members of the Authority nor any authorized person executing bonds issued pursuant to the Act shall be personally liable for such bonds by reason of the execution or issuance thereof.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required by the Constitution and statutes of the State and the Indenture to exist, to have happened and to have been performed precedent to and in the issuance of this Bond, exist, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, the Colorado Housing and Finance Authority has caused this Bond to be executed in its name by the manual or facsimile signature of its Chair and its corporate seal (or a facsimile thereof) to be impressed or imprinted hereon and attested by the manual or facsimile signature of its Executive Director.
