CHFA: Celebrating 50 years of Strengthening Colorado

This year CHFA celebrates 50 years of strengthening Colorado and investing more than **$35.3 billion** in affordable housing and community development. The Colorado General Assembly is an important part of this journey, having created CHFA as a quasi-governmental authority in 1973 and by advancing key bipartisan supported resources such as the state Affordable Housing Tax Credit and the Middle-income Access Program to leverage private sector investment in affordable housing.

We invite you to join us in our celebration and thank you for your leadership.

this week: chfa community outreach

To support community outreach and engagement, CHFA has Community Relationship Managers (CRMs) who live and work in various regions throughout the state. CHFA CRMs work to increase awareness of CHFA programs and resources while responding to the unique needs and opportunities within each local community.

Each CRM works to advance local economic development initiatives, expand homeownership opportunities, strengthen community partnership through donations and corporate giving, and build capacity to meet local housing needs. This includes connecting small-scale affordable housing developers to technical assistance and other capacity-building resources.
